## EXPERIENCE

---

**Graphic Designer/Web Developer & Designer**

**2010 - current**

Soboba Band of Luiseno Indians, San Jacinto, Ca.

Provided professional graphic design, marketing, advertising materials and web services for the Tribe. I am the Sr. Graphic Designer in charge of all marketing materials, and publications for the Tribal Administration, as well as over 6 websites, three that are Government regulated. All of which require daily maintenance and updates. I implemented a current and up to date CMS that allows each department to interact with their website and make basic daily changes.

**Graphic Designer/Web Developer & Designer, Marketing & Promotions**

**2009 - 2010**

News Financial, Murrieta, Ca.

Provided professional graphic design, marketing, advertising and web services for a variety of websites for the company.

**Graphic Designer/Web Developer & Designer, Marketing & Promotions**

**2008 - 2009**

Trevi Entertainment Center, Lake Elsinore, Ca.

I was the Web Developer, marketing, promotions and graphic design director. My duties included supervising and designing marketing, advertising, printed graphic and web services for the company.

**Graphic Designer/Web Developer & Designer**

**2004 – 2008**

NFP Designs, Banning, Ca.

Provided professional customer/help desk support, hardware repairs and upgrades, graphic design, marketing, advertising and web services for a variety of businesses, including two motorcycle dealerships, two tattoo studios, a collision repair center and several e-businesses.

**Web Design, Scripting and Programming**

**2007 - 2008**

Crafton Hills College, Yucaipa, Ca.

During an internship I assisted in providing hands-on revision and management of the college website including maintenance, design, departmental requests and updates, website authentication and re-design.
